

## **EISC Declaration**

### **14<sup>th</sup> EISC European Interparliamentary Space Conference**

**Parliament of the Republic of Poland**

**Warsaw, 22-23 October, 2012**

The 14<sup>th</sup> EISC European Interparliamentary Space Conference gathered on 23 October 2012 in Warsaw under the Polish Presidency calls upon our Governments who will meet during the Ministerial Council of ESA in Naples on 20 and 21 November 2012 to undertake all the decisions needed for the future of space sector in Europe.

This declaration has been agreed by the parliamentary space groups of the Full Members of EISC participating in this year's conference, namely Belgium, France, Germany, Italy, Luxemburg, Poland, Romania, Spain and the United Kingdom.
